

Welcome Page

Put It On Inc.

Create New Return	← Click to add new entry to the return data base. Order ID and Phone number needed.
View Return	← Click to check the data of all customers' return.
Generate Report	← Click to generate analysis reports in a separate file.

This application was designed to help procurement manager to manage the return database and generate report of analysis automatically. Please do NOT send this file to unauthorized organization or individuals directly, because it might contain sensitive sales data. If you need to share the report, try "Generate Report" function, and it will create a new file ready to use.
